## Health and Safety Courses

### CITB Site Management Safety Training Scheme (SMSTS) Day Release – 5 Days

#### The WATA route to success

This course will enable delegates to ensure that safety issues are managed efficiently, protecting the workforce, other people and the general environment, and will ensure that legal compliance is achieved.

#### What does the course cover?

- Site set-up
- CDM Regulations
- Risk Assessment
- Method Statements
- Scaffolding
- Electricity
- Excavations
- Demolition
- Confined Spaces
- Recent Changes in accepted working practices.

Upon successful completion of the course, delegates will be awarded the CITB Site Managers Safety Certificate.

**Who is the course suitable for?** This is an ideal course for Project Managers, Site Managers and Supervisors as well as proprietors of smaller companies. We are also seeing an increasing number of client-based personnel benefiting from the course.
