

WATA Knows... and you can too!

Environmental Management

Internal Environmental System Auditor BS EN ISO 14001 – 1 Day

The WATA route to success

This one-day course is designed to provide delegates with the skills and knowledge required to carry out effective Environmental Management System (EMS) Audits.

What does the course cover?

- The environment as a business issue.
- An overview of BS EN ISO 14001.
- Overview of BS EN ISO 19011 auditing standard.
- Type and scope of environmental audits.
- The Audit Life Cycle.
- Documentation and Implementation Audits.
- Audit programmes & conducting audits.
- Audit reporting and follow up actions
- Behavioural Issues

Delegates are encouraged to bring examples of their existing EMS procedures to the course, which will be used for the preparation of audit check sheets.

Who is the course suitable for?

Suitable for delegates with the responsibility for performing Environmental Management System audits and for those who require an understanding of the auditing process.

Course Dates

2011: 9 Aug; 16 Nov

2012: 16 Feb; 17 May, 8 Aug, 20 Nov

A two day in Company auditor course is also available, which includes a live audit at your workplace.

Your own EMS documentation and procedures can be used during this course.

Course Fees: £225 + VAT per delegate

Includes course handouts, lunch and refreshments.

Duration:

1 day (9:15 am to 4:30 pm approximately - please arrive 15 minutes before the course is due to commence)

We provide training in a relaxed atmosphere at our training centre, which is located in Huntingdon, Cambridgeshire.
