

WATA Knows... and you can too!

## Health and Safety Courses

### Management of Noise at Work – 1 Day

#### The WATA route to success

#### What does the course cover?

This one-day course is designed to review the changes brought in by the Control of Noise at Work Regulations 2005. These regulations can require assessments where previously they were not. Find out whether your organisation will be affected, how to understand the new requirements and how to introduce appropriate control measures.

The causes and controls of noisy environments will be covered as well as an understanding of the mechanisms of hearing and how these are affected by excessive noise levels.

#### Who is the course suitable for?

Safety Officers and Advisors, Managers, Supervisors, Self-employed, Safety Representatives and those tasked with updating noise risk assessments.

#### Course Dates

**2011:** 21 Oct

**2012:** 2 Mar; 27 Sep

#### Course Fees: £225 + VAT per delegate

Including lunch, refreshments and course handouts

#### Duration:

1 day (9:15 am to 4.30 pm approximately - please arrive 15 minutes before the course is due to commence)

We provide training in a relaxed atmosphere at our training centre, which is located in Huntingdon, Cambridgeshire
